

Explore The World - Passport Book Activity

Printing & Assembling Instructions

1. Click the link below to download the printable PDF.
2. Open in Adobe/PDF viewer and select Print.
3. Under Page Sizing & Handling, select:
 - o Booklet
 - o Booklet Subset: Both sides
 - o Binding: Left
4. Assemble the pages in order and staple together.

We recommend printing as a booklet to most resemble a real passport but you can also print as individual pages to use as separate sheets or to put in a binder if you prefer! There is also an extra blank country template. Feel free to add or exclude depending on your needs.
